## COMPANY PROFILE

Bansal Soap Industries is a trusted name in the home care, detergent and washing soap manufacturing industry, committed to delivering high-quality cleaning solutions with strong market value and customer satisfaction. Established in 1995, the company has steadily built its reputation through quality, consistency, innovation, and customer trust. With decades of manufacturing experience, Bansal Soap Industries continues to serve households and markets with reliable and effective cleaning products. The company specializes in a wide range of home care products including detergent powder, liquid detergents, dishwash, toilet cleaners, handwash, and fabric care solutions. Its flagship brand Ghar Aagan is recognized for delivering powerful cleaning performance, freshness, and value-for-money products designed especially for Indian households.

## ABOUT US

Founded under the vision and guidance of Naresh Bansal, the company has grown from a strong manufacturing foundation into an emerging and trusted name in the FMCG home care segment. Today, under the leadership of Ankit Bansal, the company is expanding with modern manufacturing practices, premium product development, attractive packaging, and market-focused growth strategies.

## OUR MISSION

To provide high-performance cleaning products that combine quality, affordability, and trust for every household.

## OUR VISION

To become one of India's most trusted and fastest-growing home care brands through innovation, customer satisfaction, and strong distribution networks.
